Couldn't take a breath. Couldn't afford to live.
They kicked you off the ledge - the tears would make you
burn your field instead, on that hill with all your grain
And the car collision din - make tracks and start again

118/126bpm

tempo increases at many
points over the track.

INSTRUMENTAL CHORUS

Couldn't kick away, our desire to break away.
And how time will angle love, but I feel Her light alive.
And shamed in the break of dawn, we may wake up and find her gone
And as our old Lady dies, they deal her love away.

F (E bass) Dm (C bass)
Bb Am C
F (E bass) Dm (C bass)
Bb Bb (Am?) C

Chorus:
pedal Bb A

CHORUS 2

As they take it all away, I swear there's still a fighting case
for all good seasons' wild embrace.

notes seemed unsure:
F C Dm (F/E? Bb)
Bb C?

And as days pulse away - you sing Oh Canada all day, in the car alone all day:

CHORUS3

O Canada, our home and native land, true patriot love in all thy sons command.

BRIDGE

They're sinking everybody
with a love that feeds but kills us slowly.

Back down Sam, this Lady's got shoes. Queen Victoria's fighting boots.
Apple-faced, radiant and glorious. (She) steps up to the podium. Back to you, Girl...

And deep in a royal place, I hear her blood boiling on this day
for all good seasons' wild embrace.
Came about some way that we gave it all away
for all good seasons' wild embrace.
Strange about the way that we gave it all away.

Lovers will be heros, true and bitter shall be sweet.
