Dispell disbelief.
Pincers with steely arms.

He's an android doctor - no he's not. (x4)

He's an android doctor - no he's not. (x5)

He's an android doctor - no he's not. (x5 more)

He's got a heart of steel for you and I
He can get inside.

He can do that right. (x2)

He's an android doctor - no he's not. (x1)
He's an android doctor - no. no he's not.

He's...

He's an android doctor - no he's not. (x4)

He's an android doctor - no he's not.
With a workshop filled with lots of toys.

With a workshop full of kerosene, and a lot of latex mould machines
And a stack of hot skin magazines.
With a lot of care in time you see.

Sure enough I have seen his workshop.

He's an android doctor - talk too much.
He's an android doctor - talks too much
He's an android doctor - blow it up

shooo..

idea of android doctors are out there operating on other androids, fixing human skin onto the faces, hands and feet of robots, they appear to be people.

the workshop full of tools (research types of tools that would be used for graphing human skin onto metal)

the android doctor mocks them up

machines wearing skin - skinface

looks like a man, but that's a skinface
