blood of blood of blood - down the cliff it flows
all draining blood - to the rocks below
blood of blood of blood - and the loss of life
all swims in blood - in the bloodlines
blood of blood of blood - all the vengeance now
all draining blood - to the friends they knew
blood of blood of blood - generations red
all swims in blood - men and women

Ab C

CHORUS:

blood between our vanishing points
lifecycle in the distant night
with these mighty lies we fill the sky
with the burning fires of armies

Ab
Ab bass moves to Eb
Fm

all the holy blood - blood of blood of blood
all the holy blood - blood of blood of blood
all the holy hearts - witness the siphoning
all the holy hearts - they will control your heart

CHORUS

all the holy hearts - they will control your heart
all the holy blood - they will control your blood
all the holy blood - they will control your blood
blood of blood of blood - they will control the blood

Instrumental chorus w/ solo (full 8 bars)

you have your blood - they will control your blood
blood of blood of blood - they will observe your blood
blood of blood of blood - they will control your blood
blood of blood of blood - all the bloody teeth

CHORUS

big blood brother pumping blood
big blood brother pumping blood
big blood brother moving units
big blood brother pumping blood
all blood brothers parenthood
all blood brothers pumping blood
big blood sister moving units

blood of blood - the blood, the blood, blood (x4)

.....that's a song about the United States of America and the Project for a New American Century.
