Can I soak in your wine? Cuz I'm feeling dry all over.  
I'm hoping your bar stays open 'til three.

Can I soak in your wine? Cuz I'm strung out past my limit.  
I'm hoping your bar stays open past three,  
because I'd like for you to have a drink with me.

**I... I knew all along, that you were strong at drinking alcohol.  
You... You were drinking so fast, I was sure that you'd crash out on the lawn,  
but I was wrong.**

Can I soak in your wine? Cuz I'm feeling dry this evening.  
I'm hoping your bar still stays open 'til three.

Can I soak in your wine? Cuz I drove my car off of a cliff.  
I'm hoping you'll drive me to drink when you get finished,  
because I'd like for you to share a glass with me.

**I... I knew all along, that you were fond of drinking alcohol alone,  
but for me, you lowered your drawbridge and you tore off your mask,  
and you rewrote the music and you taught me to dance.**

Can I soak in your wine? Cuz I'm feeling dry without you.  
I'm hoping your bar will stay open 'til three.

Can I soak in your wine? Cuz one mouthful of you tastes like more.  
I'm hoping you will be up much later, polishing your glasses,  
because I'd like for you to have a drink with me.
