Bright shining eyes of you.  
 Danny Girl, who the hell are you?

Eb  
 Ab

Come apart, for a moment so  
 I can see you.  
 I want to talk with you.  
 I wish that I could dance the way that guy did.  
 Maybe I would dance with you.  
 Maybe I could take that modern dancing for you.

Eb

(Instrumental solo)

Ab

You can make me see the stars.  
 You can make it all turn  
 right around.  
 I can see my own eyes in your heart.  
 Lookin' back that we'll not get it together.

I'm a comely soul.  
 I've seen things I hate.  
 I've done things that disinterest me,  
 but it's too late for me to turn back now.  
 I've discovered this.  
 I've discovered this.

And like a plant with leaves.  
 I'm all over the world.  
 Yet I die without your watering.  
 And cowering below hot sunshine is not what I had in mind.  
 You! Cowering next to you.
