You've become the only one.
 You've become the only fun.
 Life is hell while you're away.
 Everyday gets better... it's one day closer.

Sacred. Holy. Naked. Lonely.
God what I've become while missing you.

When you went across the sea,
 you took with you a piece of me.
 I'm half the man I used to be.
 Bring me back a skirt and a box of tea.

Sacred. Holy. Naked. Lonely.
God what I've become while missing you.

I sit for hours and contemplate
 this ghastly food on my dining room plate.
 Oh sure I could eat, but I'm never quite full.
 Sweetheart, you make me famously famished.

Sacred. Holy. Naked. Lonely.
Look what good has come of missing you.
Sacred. Holy. Patient. Lonely.
God what I've become while missing you.

I've looked for you in everyone.
 I'm finding most people incredibly dull.
 You're coming home in twenty-five nights now.
 My heart's delight, my heart's alight now.

Sacred. Holy. Naked. Lonely.
God what I've become while missing you. Wo-oh-oh-oh.
Sacred. Holy. Naked. Lonely.
God what I've become while missing you... while missing you.
