Hades has risen, the skin of hell has broken,

fierce serpent armies are quickly spilling forward.

Gm / D / F# dim / Gm
Cm / Gm / A7 / D
Cm / Dm

Cyclone funnel clouds come, to suck the final sermon.
Our beauty; we are as wanting putrid vermin.
Mankind gives rise to gluttony, greed and strife,
Piercing holes in holy armour; chemicals come the great erasure.
Vanity leads our swift destruction,
Snaking queues of wanting patients,

chorus (bar 121), "Breathing feels..."

Bracing hard with silent pleas,
As lambs are defiled and the clergy flees,

Bb / D / Eb / Gm
Cm / Dm / Eb / Gm
F / D7 / Cm / Gm
D7 / D7 /
big gigantic dramatic Gm
"shine..."

Breathing feels difficult, struggling in the final stages,
Forced inside of tight burgeoning metal holding cages.
Demons wind the mighty siren, dragons reawake to battle.
Gaia weeps ancient tears; she's seen the coming of our slaughter.
Truth be known that nature held, our frail creation survival well.

(see sheet music for specific bass notes.)

Hades comes to drink our filth, to suck the earth of human swill.
An earth without humankind, in time, will surely... shine.
