---CHUNK ONE--- (14)

...
For this time being we'll bring ourselves to
Fall down, we'll fall into a cloud of helium... to keep us up...

---CHUNK TWO--- (31)

Blow up high this shining red balloon.
like a scalet-coloured reason to shoot the moon.
Rises with the vibrance of an open wound.
Helium...

---CHUNK THREE--- (46)

Look down on the sideways world.
A satellite to call your own.

---CHUNK FOUR--- (54)

Casting drifting water's even shores, scarce the
tides begin to taste floating red balloon.
Raining on the rising of your helium.

---CHUNK FIVE--- (66)

Push headlong and carry with the breeze.
Can the metaphor be heard in the highest reaches?
Raising up a light to see the red balloon. Helium will keep us up.

---CHUNK SIX---(83)

One late taste, embrace. Close to the sunshine! Helium, will keep us up.
It's strange, brave, and late.

---CHUNK SEVEN--- (96)

Helium still rising in the sky, nearly pricking floating kites, red balloon goes higher
Filling up a rubber boat and sail to sea, when helium will break us up.

---CHUNK EIGHT--- (113)

It's true, it's strange, it's brave. Close to the sunshine! Helium will keep us up.
Then pop, or drift away.
