You can go downtown but you ain't got a place to play.
You can go downtown but you ain't got a place to stay.
You can drive all night from town to town and
bustin' up and gettin' down and screwin' up and speedin' up
and drivin' fast and throwin' up.

You can drive all day right through the wind,
right through the day with a bottle o' gin.
You can soak the rays, you can soak all day.
You can go downtown but you ain't got a place to stay.
You can go downtown but you ain't got a place to play
cuz the only place for you is the highway.
Hit the highway.

Yes, you are sleeping in your car cuz you have to.

Drive your car, off of the gravel.
Drive your car, onto the highway.
Drive your car, faster, faster.

Come and catch me, try to match me,
you'll be blown away by a sonic boom,
just like that.
