Digging of claws,
Monster among us,
Come to reclaim,
Swinging the axe,
Strikes the pain.

Still, simply said, and that's all I mean, I love you when it rains.

Bb Fminor

Over the worst,
Still comes in waves,
Back out you can't,
Wait for the end,
Enter the dragons,
Ready the flames.

Still, simply said, and that's all I mean, I love you when it rains... rains... rains... rains...
