VERSE1

Rushing to break your neck
in the autumn night.
Wrap your cape about you.
Let your thoughts run wild.
And in truth we are for improving you.
We will live, we believe. (don't believe every single thing you hear)

(These are the full lyrics of
the original version. aka
Born Gothic.)

CHORUS

(You can) Lose your love to night (Lose your love to night)
Try the party on (Lose your love to all)
hands in tangled hair (hands in tangled hair)
love in mangled hearts (hear the single song)
Spin yourself around (Spin yourself around)
Now you'll see true love (now you'll see the)
Lovers in your heart .
Lovers sing your hope.

VERSE2

You were born under gothic arches, holding true to what you've been, be resolute
it's how you speak of disappearing, in the cracks along your ceiling.
if you've fought to change your tendency, to dance with moonlit mannequins,
beware of chaste, inconstant fakes, please remain as you've been.

BRIDGE1

No guilt for those who rush. Rushing to death all those who had the touch.
No guilt for those who rush.
Wind the siren. (x24)

CHORUS

(thorough accounting)
Load your ledger ... thorough accounting. (x4)
Load your ledger, trying to catch up. Load your ledger, trying to catch up. (x4)
